

Driving directions to Building 4014, 5439 McCormick Ave WPAFB 45433 from
GATE 12A

1. Enter through Gate 12A off State Route 444 (AFMC Headquarters)
2. After coming through Gate 12A, turn left at the first stop sign onto **SPRUCE WAY**
3. On **Spruce Way**, you will pass AFMC Headquarters and NASIC on the left.
4. At the end of the road, turn right onto **SKEEL RD.**
5. At the split, keep left on **SKEEL RD.** (there is no street sign. It's the first place that you can make a left turn, almost immediately pass the Tennis Club that will be on your left)
6. Continue straight on **SKEEL RD.**, for a good stretch.
7. **SKEEL RD.** will turn into **LOOP RD.** as the road curves near the fuel tanks.
8. While on **LOOP RD.**, the flightline will be on your left. You will pass the commercial gate, **Gate 26A**, on your right. Stop at the stop sign then continue on. Gate traffic has the right of way. The road will wind around and you will come to a yield sign. Go straight and take the left of the fork in the road, **ARNOLD RD.** You will see the 445th Airlift Wing marquee on your left and will pass it once you are on **ARNOLD RD.**
9. Make the first right turn on **MCCORMICK AVE.** (Bldg. 4010 will be on your left as you drive by it and it has a flagpole)
10. Turn right on **HILLER RD.**
11. Building 4014 will be on your left (There is a model canon in the front of the building). Park in the parking lot. The main entrance is the overhang to your right as you come from the parking lot.

Customer Service is the first door on your right when you come through the main entry way.
